WEEKEND REPORT OF C.Y.F MOLYKO FROM SATURDAY 17TH TO SUNDAY 18TH AUGUST 2019

Together..... In Fellowship..... With Christ

SATURDAY 17TH AUGUST

For some reasons beyond our control, the cleaning of the church house which was originally planned to take place the previous Friday evening was done as CYF Molyko's first activity on Saturday which began at 6:40 A.M and ended at 8:20 A.M with 17 members dressed in their national social wear ("the dove") taking part.

Next was the CYF Buea East Zonal retreat which took place at PCC Bomaka in preparation for the dedication of the elected zonal executives the following day. The retreat was jointly attended by CYF Buea East Zone and the Hallelujah Choir Association of PCC Bomaka who also had dedication of their new members the following day. Captioning the retreat "**MOVE ON WITH FAITH AND HOPE**", the parish pastor of PCC Bomaka, Rev. Ajime Nelson Zuwed, encouraged members to allow the Holy Spirit to do His work in their lives and he also answered questions and worries raised by members concerning their spiritual lives. Although, the group (CYF Molyko) was relatively late for the retreat because of cleaning of the church house, 22 CYF Molyko members attended the retreat which unsurprisingly recorded highest compared to the other groups present.

While the rest of the CYF Molyko members moved to PCC Great Soppo for the funeral service of Late Mr. Neba Gerald (Late brother of Ngwa Conglad), Sis. Buh Joycelyne, Bro. Tanjoh Klaus and Bro. Tabe Martin stayed back to sit in for the president, vice president and secretary respectively, at the zonal representatives' meeting. The raison d'être of the meeting was to plan for the upcoming zonal come-together envisaged to take place on Sunday, 22nd September 2019 at PCC Molyko although the date is not yet 100% certain. Importantly, during the meeting, was the EXCO release of the previously held zonal executive meeting at PCC Molyko which stated that urban groups (including CYF Molyko) would contribute 15,000frs and rural groups to contribute 12,000frs for the come-together as registration. The activities of the come-together were listed as follows; bible quiz (40 marks), brain trust (20 marks) evangelical singing (10 marks), evangelistic dance (10 marks), exhibition of five different quality articles (10 marks), involvement (5 marks) and punctuality (5marks).

Also, “Alonge Alonge” would mandatorily be done, involving all groups before proclamation of results. During the meeting most groups indicated of not having received their handballs that were donated by CYF Molyko during the previous zonal representative meeting at pCC Muea. These groups were asked to pass by Molyko to collect. As a tasked, the CYF Molyko brothers would help in logistics during the come-together and CYF Molyko sisters to help in serving of food. CYF Molyko was tasked to respond with 20,000frs to the appeal letters that would be sent by the zone and the deadline for the payment of this money, and the 15,000frs registration was given as 8th September 2019.

At the funeral service at PCC Great Soppo which featured the consoling sermon by the parish pastor of Great Soppo, the Rev. Ngalle Simon, CYF Molyko though was a little late for the service due to the tight schedule, was represented by about 25 members and officiated by singing during offerings. After the service, was assembly at the family compound at Sand-Pit for burial. The group was warmly welcomed and well fed by the family who also congratulated the group through Bro. Ngwa Conglad for the support and consolation during such a dark moment. At the end Bro. Ebage Render was asked to represent the group at the Temple Choir Molyko dedication the following day during second service. Departure of members to their various homes was at about 5:30 P.M.

The day was quite a demanding one as most members had to see their homes only in the evening after having left early in the morning. However the activities of the day recorded a general success.

SUNDAY 18TH AUGUST

The group attended the first service on Sunday which began at 7:00 A.M. During the service it was announced that parents and God parents for baptism and confirmation would have a meeting with the pastors on Saturday 24th August 2019 in preparation for Baptism and confirmation on Sunday, 25th August 2019, Birthday anniversary and other thanksgivings too would take place that same Sunday. This year’s harvest thanksgiving, themed **“Harvest of Divine Favour”** drawn from **Gen.4:4b**, would be launched on Sunday 8th September 2019. Men and women expected to launch the harvest with at least ten thousand francs (10000FCFA) while youths expected to launch with at least five thousand francs (5000FCFA). Also, following the congregation’s officiating roster, it was announced that CYF would process on Sunday 25th August 2019 during the second service and as a result, the group would officiate during the midweek service on Wednesday 28th August 2019.

Reflecting on the theme **“WHAT IS YOUR MOST VALUABLE (OR TREASURED) TREASURE”** drawn from **Matt. 13:44-46**, Bro Abah Emmanuel, first year student at the Presbyterian Theological Seminary Kumba, encouraged Christians to value the Kingdom of God and emphasized on the fact that all earthly treasures are temporal and must not be compared with or equated to the heavenly treasures which are everlasting.

Another remarkable activity of that Sunday was the dedication of the CYF Buea East Zonal executives at PCC Bomaka where CYF Molyko was officially represented by Sis. Njei Synthia, Sis. Wirba Marvis and Bro. Egbe Joel. After the Sermon by the Rev. Ajime Nelso, and collection of offerings, the 15-man executive body of the Buea East zone was presented by the CYF Fako North Presbytery Secretary General elect, Bro. Otto Mondo. Although three of these executive members were absent, those present were successfully dedicated by the Rev. Ajime Nelson Zuwed. These members included Michael Asafor Che (Zonal coordinator), Enene Bike Eyambe (Zonal Girls' Representative), Fuhneh Lewis (Zonal Secretary- General), Elder Amba Gilbert (Zonal Evangelism. Sec), Tualack Tangie Lionel (Zonal Treasurer), Nkwain Sera (Zonal MD I), Ojong Tambe (Zonal Songs II), Abamboh Suzie (Zonal Pub. Sec. I), Evelyn Mbonghe (Zonal Pub Sec. II), Njinyu Bartholomew (Zonal Sports Sec. I), Awah James (Zonal Sorts Sec. II) and Duke Ngale (Zonal Works/Diciplinary Sec.). The Zonal Financial Secretary, Elder Suh Rene, together with the SuS area president and YP section leader were absent.

The activity recorded a huge success as joy and happiness was the order of the day and the dedicated executives, happily pledged their loyalty to God's service and to be committed to the work of God for the next five years.

With contributions from Bro. Tabe Martin, Sis. Wung Dorcas and Bro. Egbe Joel, this report was compiled, written and being presented by Bro. Tanjoh Klaus K.
