All EXCO members were to coordinate the activities in preparation for the 2019 rally especially activities concerning their departments.

## **EVALUATION OF EXCO MEMBERS, COMMITTEES AND DEPARTMENTS**

All committees and departments were evaluated and the following recommendations and advices were given to each of the committees, departments and their heads.

### **1. EVANGELISM COMMITTEE**

- The evangelism secretaries or those in charge of that aspect of the group, should always be present or represented when their attentions are needed.
- Meditation during meetings should be given to all class of members in the group.
- All teachings should be well scrutinized by the evangelism committee before giving to the group.
- The predecessors of the group should be made use of.
- Members should make Church Service a priority on Sundays.
- The theme of the group's dedication should always tie with the theme of the rally of that year.

## **2. SOCIALS COMMITTEE**

- Socials committee members should always stay up to the end of occasions in order to put things in order and avoid loss of group's utensils.
- The committee's heads should avoid stressing their members and endeavor to do proper organization of activities.
- The committee members were advised to be proactive and communication among members should be good in order to avoid misunderstandings.

## **3. MUSIC COMMITTEE**

- The choice of song during service or occasions should be made very carefully and the lyrics should be well scrutinized with the help of the evangelism committee.
- Repetition of songs should be avoided.
- The committee should exploit the musical skills of members; teach them in order to guarantee continuity in this aspect of the group.
- It was suggested that the idea of electing or appointing music directors of different capacities should be given up. All should be of the same capacity.

## **4. SPORTS COMMITTEE**

- It was suggested that subsequently, numerous sporting sessions should be organized by this committee and carried out by the group.

## **5. WORKS/DISCIPLINARY COMMITTEE**

- The works secretaries were advised to show a good example and have a good sense of follow-up when it comes to works in the group.
- Defaulters in the group should be sanctioned without delay.

## **6. SECRETARIAT/PUBLIC RELATIONS COMMITTEE**

- Time management during group meetings should be enhanced.
- Members of the group should be well informed about the fact that the secretariat needs to be given time to give her information before the president or vice closes the meeting.

## **7. ADVISORY COMMITTEE**

Advisers should avoid scolding at members but rather endeavor to listen more and speak less, wisely, and with great impact.

## 8. THE PRESIDENCY

- The president should not for any reason whatsoever, be scared of instructing the vice president.
- The issue of blending spirituality and sociality should be taken very carefully in order not to cause havoc in the lives of members which may lead to chaos in the group.

## **REPORT FROM THE EDUCATION COMMITTEE**

With regards to the educational aspect of the group, the following report was presented by the Education committee of the percentage of CYF Molyko members who sat in and graduated from various academic levels in the 2017/2018 academic year.
